

On June 1, 2010, I had the honor of presenting, PMC Henry Pak of Freedom Chapter Order of DeMolay with the PMC MSA. I was assisted by our STC Hap Horgan, two members of Brother Pak's chapter as well as by his Dad Advisor Brother Ken Walking.

During his term of office, Brother Pak established and executed his plan to raise funds toward charitable contributions and raised \$1, 000 toward that project. He is currently studying Business Administration at Drexel University.

The award is sponsored by the Tall Cedars of North America and has been since 1960; therefore, it was presented at an open meeting of Philadelphia/Crooked Billet #10 Forest in Hatboro, PA. To show support for Brother Pak, a number of national officers traveled to Hatboro for the presentation. Support came from our STC, two directors (Feeser and Beam), a Past District Deputy George Hahn, PSTC's Strauss and Reed, many local Tall Cedars and I.

Our STC said that "From the leadership skills Henry demonstrated to earn this award, we can be sure that he will be a man that will make this country a better place". It was my honor and privilege to kneel at the altar, along with the three brothers DeMolay and make this a special presentation to Brother Pak.
